# Washington County Farm and Fiber Tour

Wool and other fiber production in Washington County has a rich heritage dating to the 1800s, and over the past decades has enjoyed a vibrant renaissance. You can meet today's fiber farmers and nearly every kind of fiber animal there is during the 21st annual Washington County Fiber Tour on April 27 and 28, 10 a.m. to 4 p.m. This self-guided

Tour of 17 farms and a fiber mill is free and open to the public. While visiting the farms, enjoy the beautiful scenery, the friendly villages, and the opportunity to see many fiber arts in action, all within an easy driving distance of the Capital District and nearby western New England.

With the addition of new farms that raise angora and cashmere goats, along with returning and other new farms that raise several breeds of sheep, furry angora rabbits and elegant alpacas, the Washington County Fiber Tour has it all. Farmers across the county will introduce you to their livestock and answer all your questions about the care of these animals and the uses of their valuable fiber. The five new farms joining the Tour this year are: Celtic Farm Alpacas in Granville, Sweet Dreams Sheep Farm in Hebron, Blind Buck Angora Goat Farm in Salem, the cashmere goat flock at Christ the King Spiritual Life Center in Easton, and September Morning Alpacas in Buskirk.

The Fiber Tour also offers a good chance to learn about the fiber arts and to try your hand at a new technique. Most farms will offer educational demonstrations and fun workshops throughout the weekend, showcasing a variety of fiber arts suitable for children and adults. Some of the hands-on opportunities that will engage your whole family include making felted soaps and trivets at

Alpacas of Haven Hill in Greenwich, and hand-spinning fiber into yarn at Ensign Brook Sheep Farm in Greenwich.

Our local commercial fiber mill Battenkill Fibers will be open all weekend for tours, offering a rare behind-the-scenes glimpse of an essential aspect of the fiber world. Visitors will observe the many steps, the complicated equipment, and the skilled labor needed to turn shorn fleeces into premium yarn for knitting or weaving.

For visitors who want to buy local, the on-farm shops open during the Washington County Fiber Tour are well known for the high quality products they offer. After all, what could be better than purchasing fiber products directly from the farm or mill that produced them? Fleeces, roving, yarns, as well as many finished articles will be available for purchase at most locations along the Tour. Several farms also have breeding stock for sale.

The Fiber Tour takes place rain or shine and visitors should dress for the weather. Visit [www.washingtoncountyfibertour.org](http://www.washingtoncountyfibertour.org) for details about the farms and specific activities being offered. Our full color brochure, including a map, can be downloaded from the website, or you can pick one up at any participating farm or Battenkill Fibers.

Gold sponsors for the 2013 Tour are Washington County Farm Bureau, A&J Enterprises' Salem Agway, Northeast Farm Credit, Farm Family Insurance, Curtis Lumber, Subway, Chippewa Stone, and Cargill. Other sponsors are listed on [www.washingtoncountyfibertour.org](http://www.washingtoncountyfibertour.org).

The Greenwich Economic Development Group would like to welcome the 1st Annual Assault on Greenwich Challenge that will take place on May 4th, 2013 at 10:00 am. This is a 4 mile challenge around Greenwich which will put each participant through a series of obstacles. We are looking for businesses along the route to participate and help us with the following:

**Participation** – Allowing us the use of their property. We are looking for businesses to allow the participants to cross their property. This will allow us to keep the challenge path off the main roads wherever possible insuring the safety of the participants. Each participating business will be covered under an insurance policy (more details available upon request).

**Obstacles** – We are encouraging each business to set up an obstacle for the participants to enjoy. We have a list of obstacles that you may choose from. You may also choose not to do an obstacle but allow the passing of participants.

**Event Bags** – We will be handing out event bags to the first 300 participants of the challenge. We are giving businesses the opportunity to contribute something to these bags

# Antique Fair Coming in May

Fairground Shows NY is pleased to announce their Antique Fairs for 2013. The first event will be held on May 4th and 5th, just one week before the Brimfield antique shows.

The second Antique Fair at the fairgrounds is scheduled for August 3rd and 4th, during the height of the Saratoga Springs racing season.

Greenwich is ideally situated for these events, just 30 miles north of the Albany/Troy/Schenectady area, and 12 miles east of the famous resort city of Saratoga Springs. Lake George is less than 20 miles away. The surrounding area is heavily steeped in colonial American History. The historic Saratoga Battlefield is only 3 miles from the fairground.

The Antique Fair features an average of over 200 dealers from all over the northeast, specializing in a wide variety of antiques, collectibles, crafts, and flea market items. Furniture, Post Cards, Art, Glassware, Tools, Linens, Records, Paper, Coins, Toys, and Smalls can be found at this event. Over 90% of our exhibitors specialize in antiques and older collectibles.

The public's weekend ticket (also good for unlimited show re-entries) is only \$3. Seniors 65+ are only \$2, and children under 14 are admitted free. Public gates open at 8am on Saturday, and 9am Sunday.

Early Buyers can enter the grounds with the dealers during setup (Friday) using a \$10 early buyer pass available at the gate beginning at 6am, plus unlimited re-entries during public

hours throughout the rest of the weekend.

There are acres of free parking at the fairgrounds, and camping facilities for those staying overnight. There is a porter service that can deliver your purchases to the gate area during show hours. Several dealers also provide appraisals for your antiques. Leashed pets are also welcome.

Food vendors are carefully screened and they are chosen for their cleanliness, reasonable pricing and menu choices. These vendors provide a wide variety of foods featuring specialty items as well as family favorites.

# 13th Annual Balloon Festival, June 7, 8 & 9

The Cambridge community is gearing up for its 13th Annual Cambridge Valley Balloon Festival, set for Friday, June 7 through Sunday, June 9, 2013, in and around the beautiful historic Village of Cambridge, NY.

The Cambridge Valley Chamber of Commerce, organizer of the event, is putting together the schedule of activities, which will include four launches of 10 hot air balloons (Friday & Saturday evening and Saturday & Sunday morning). All launches take place at the Cambridge Central School on Route 22 (wind and weather permitting). Evening launches typically occur between 6:30-7:30 p.m.; morning launches between 5:30-6:30 a.m. Spectators are invited to watch from a distance or walk

Between the launches, the Cambridge community throws out the red carpet and provides a myriad of activities to entertain the crowds. Community businesses, through the Chamber, host a fantastic fireworks display on Friday evening at the Cambridge Guest Home Park on South Union Street.

On Saturday, the Chamber organizes a "Taste of Cambridge" at the same location to showcase local food producers and restaurants. The "Taste" is followed by the annual Moon Glow, a spectacular night time display of tethered

hot air balloons that are lit from inside in time to music.

Sunday brings an end to the official festival activities with a Pilots Breakfast at Silvano's Italian Restuarant. This is a great opportunity to meet the pilots and discuss the details of ballooning with the experts.

Local organizations augment the festival with activities to entertain crowds between the launches and to showcase the Cambridge community. At the school location there are rides, carnival games and food vendors. Sporting tournaments are also held here. In the Village, activities such as craft fairs, farmers' markets, museum tours, concerts, and gallery events occur. There will even be a Vintage Car Show in VARAK Park.

More information will be posted on this website as details become available. The Chamber will also distribute a festival brochure and a schedule of events in May. Please visit [www.cambridgchamber.com](http://www.cambridgchamber.com).

The Whipple City Festival has been sponsored by the Greater Greenwich Chamber of Commerce for 21 years this June. It began as a way to promote the Greenwich businesses to visitors and to thank the community for their support of the Greenwich Business community.

It has turned into the premier spring event in Southern Washington County. It brings families out to the activities and it brings out the best in everyone. They come outdoors to the beautiful village parks to enjoy quality musical entertainment, great food, free horse & wagon rides, the carnival and craft fair. Along with the great food and so much more all weekend.

The 20th annual event begins on Friday, June 14 with a 6 p.m. "Friday Night at the Movies" themed parade. Saturday bright and early starts with the running of the Whipple City 5K Race at 8:30, beginning and ending on Grey Avenue. This race brings out over 100 hundred runners. Don't miss it!

Typical activities include info booths by community organizations, the country craft fair in Mowry Park, animal demonstrations in Dorr Park on Main St., childrens and family carnival games and bounce houses along Academy St. near the town & village municipal buildings. # Al Fresco Weekend at the Courthouse

Some exciting plans for Al Fresco Weekend 2013 have evolved from busy monthly meetings held at the Courthouse over the winter. The result: CCC will be a flurry of activity this summer as dedicated, skilled volunteers gather to prepare for Al Fresco Weekend-July 27 and 28.

Chair Donna Farringer assures us that this eleventh annual event will measure up in every way to those of the past. Local merchants and producers are eagerly awaiting for orders; manager-chef Dan DiBlasi is gathering and testing mouthwatering recipes; and Carolyn Aklund is lining up a wonderful variety of items for our silent auction.

The weekend begins on Saturday evening at 5 pm with a tasting of a variety of hors d'oeuvres. Freshly-made local cheeses, so popular in the past, will grace our tables once again, along with a variety of breads and vegetables. Dinner at 6 pm features mouthwatering products from the Salem area. We cannot promise a sunny evening, but we can guarantee a wonderful evening filled with music of the ever popular Netherlands Blues Band who is generously donating its time and talent to us.

Sunday brings the Chefs' Brunch to the Courthouse grounds from 12-2 pm offered by guest chefs. Co-chairs Tom Tanaka and Donna Farringer are reaching out to some new restaurants as well as popular ones from past brunches to create an assortment of delicious dishes. Enhancing this day is the busy, sought after Roadside Blues Band kindly donating their musical skills for all to enjoy.

We hope you will help HSCPA celebrate our agricultural heritage as well as the ever growing success of CCC by attending Al Fresco Weekend.

Tickets go on sale Monday, June 3 at 9 am. Ticket prices are the same as last year: Dinner: \$50 each, Brunch: \$25 each. Buy early to assure your place at the table! Tickets may be ordered by calling 518-854-7053.

# Washington County Cheese Tour

Featuring fresh chevre, ripened Camembert-style, Cheddar and more, the seventh annual Washington County Cheese Tour will enthrall cheese lovers of every age. On Saturday and Sunday, September 7th and 8th, 2013 six of the most creative farmstead cheese makers in the Northeast will open their farms to the public for a free tasting. On a self-guided tour, visitors will drive through rolling hills

and bucolic countryside using a special cheese-lover's map. The only prerequisite is an appetite and interest in learning about and sampling award-winning local cheeses and enjoying the changing colors of the famed maple trees.

Visitors can sample each farm's cheeses while experiencing the region's longstanding cheese making traditions. Special activities are planned for the weekend that will include cheese making demos, tours of the facilities and educational demonstrations.

All are active farms, raising cows, sheep and goats that supply the milk for the cheese-making process. The tour is organized by the Washington County Cheese Makers to showcase their farms and award-winning products. Participating farms include: 3 Corner-Field Farm (Shushan), Argyle Cheese Farmer(Argyle), Considered Bardwell Farm(West Pawlet),Longview Farm(Argyle), Sweet Spring Farm(Argyle) and Sugarloaf Farm(Fort Ann).
