16th Annual Cambridge Valley Balloon Festival ~ June 3, 4 & 5

CAMBRIDGE – The Cambridge Valley Chamber of Commerce, organizer of the event, is putting together the schedule of activities, which will include four launches of 10 hot air balloons (Friday & Saturday evening and Saturday & Sunday morning). All launches take place at the Cambridge Central School on Route 22 (wind and weather permitting). Evening launches typically occur around 7 p.m.; morning launches at 5:30 a.m.

LOTS TO DO FOR THE WHOLE FAMILY
Between the launches, the Cambridge

community throws out the red carpet and provides a myriad of activities to entertain the crowds.

Community businesses, through the Chamber, host a fantastic fireworks display on Friday evening at the Cambridge Guest Home Park on South Union Street.

On Saturday, the Chamber organizes a “Taste of Cambridge” at the same location to showcase local food producers and restaurants. The “Taste” is followed by the annual Moon Glow, a spectacular night time display of tethered hot air balloons that are lit from inside in time to music.

Sunday brings an end to the official festival activities with a Pilots Breakfast (location to be announced). This is a great opportunity to meet the pilots and discuss the details of ballooning with the experts.

COMMUNITY SPONSORED EVENTS

Local organizations augment the festival with activities to entertain crowds between the launches and to showcase the Cambridge community. At the school location there are rides, carnival games, food vendors, and sporting events.

In the Village, activities such as craft fairs, farmers’ markets, museum tours, con-

certs, car show and gallery events occur. Information will be posted on the Chamber website. The Chamber will also distribute a commemorative program and a schedule of events in May.

Organizations wanting to be included on the official schedule of events must send information **IN WRITING** to PO Box 405, Cambridge, NY 12816 or via e-mail to cambridgeballoon@gmail.com. The deadline to be included is May 15, 2014.

SUPPORT FOR THE FESTIVAL

Sponsors are also crucial to the success of the balloon festival. Opportunities range from sponsorship of an entire balloon (\$1000-you get two free rides along with free tickets to pilot events) to event sponsorships (\$500-\$200). Gold and silver sponsorships are available for \$100 and \$50, respectively.

Donations toward the fireworks are always needed and welcome. To help keep this fantastic display a part of our annual event, send donations in any denomination to CVCC – Fireworks, PO Box 405, Cambridge, NY 12816. Individuals or businesses making gifts of \$300 or more will be acknowledged at the event as fireworks sponsors.

Maple Open House Weekends

GREENWICH – The Upper Hudson Maple Producers Association will host three Maple Open House Weekends, March 19-20, March 26-27, and April 2-3, allowing the public to take a free tour of area sugarhouses and see maple syrup made first-hand.

Visit www.upperhudsonmaple.com for complete information about the event.

“We’re inviting area families to come and experience first-hand the sights, smells and sounds of maple sugarmaking,” said David Campbell, a Salem producer and president of the Upper Hudson

Maple Producers Association.

“The event has become so successful that we have expanded it to three weekends, giving folks more opportunity to come visit sugarhouses,” he said.

Signs will be placed along roadsides over the course of the weekend to direct motorists to the sugarhouses. The sugarhouses will be open from 10 a.m. to 4 p.m. each day.

Most sugarhouses will offer samples and demonstrations. Many of the locations will be serving pancakes breakfasts as well.

Sugarhouses participating in the event are located throughout Washington, Warren, Saratoga, Rensselaer, Fulton and Montgomery Counties.

Tapping Ceremony

A tree tapping ceremony

to kick-off the event will be held on Friday, March 18, at 12 noon at 91 Ritchie Road, Middle Granville, with State Ag & Markets Commissioner Richard Ball and local officials invited to participate.

Maple season generally runs from now through the middle of April. The Upper Hudson region is among the largest syrup producing areas

in New York State.

The Upper Hudson Maple Producers Association is a trade organization representing maple producers in Washington, Warren, Saratoga, Montgomery, Fulton and Rensselaer Counties.

To find more information about local sugarmaking and maple recipes, go to www.upperhudsonmaple.com.

The Battenkill Runs Through It Sixth Annual Beach, Music & Food Festival

GREENWICH – Battenkill Conservancy's sixth annual beach, music & food festival returns on Saturday, May 28, 2016. The festival kicks off the summer season on the banks of the Battenkill at the Greenwich Town Beach, just north of the village on Route 29.

The Sixth Annual **Battenkill Runs Through It** Festival features a great line up of the capital region's most popular

local musicians in conjunction with The Exit, 97.7 W-EXT.

This year the food revolves around an old fashioned pig roast prepared by Craig Phelan of Un Petit Cochon. Offerings from top quality area restaurants and food purveyors complete the always fabulous Battenkill Picnic Plate.

In addition to the music and food, the Battenkill Runs Through It Festival's real fo-

cus is the river and highlighting fun, close to home water related family activities including the River Watch Discovery Kit & scavenger hunt, canoe and kayaks available for use, fly fishing demonstrations and the always popular Live River Bugs science table. It all makes for a perfect summer kick off for everyone who loves music, food and most importantly our river, the Battenkill!

BkC will also present the Battenkill Community Citizen Award during the festivities. This year's recipient, to be announced later this spring, will be the fifth citizen to receive the award. T

The festival's silent auction, the Battenkill Bidding Board, highlights a strong

selection of the Battenkill watershed recreational and cultural gems. Past items have included original art by internationally known artist, Stephen Lack, framed watercolors by Greenwich native and art therapist, Elizabeth Cockey and an iconic print of the Battenkill by the talented, young artist, Jacob Houston. Orvis fly fishing rods, Ed Levin Jewelry and selections from Battenkill Books have also been featured in the past.

The Festival begins at Noon and ends at 6 pm. Ticket prices include food, music and all activities with reduced entry for children 10 & under. Complete details to be posted at www.battenkill-conservancy.org

Washington County Fiber Tour ~ April 23 & 24

From its early roots as an art and industry fundamental to settler life in the 1800s, wool and fiber production in Washington County has been a vital component in local culture and economy. You are invited to join in the renewed, 21st century enthusiasm for locally-raised natural fibers by participating in the 24th annual Washington County Fiber Tour on April 23 and 24, 10 a.m. to 4 p.m. This self-guided tour of 15 farms and a fiber mill is free and open to the public.

The Fiber Tour is committed to the recent renaissance of interest in natural fibers with nearly every species of animal raised for wool or fiber featured on its farms. Farmers from across the county will introduce you to their livestock and answer your questions about the care of their animals and the uses of their fiber. Meet Romney, Merino-cross, Cormo, Icelandic, Blue-faced and Border Leicester sheep and the shepherds who tend them. Visit a sheep dairy which produces woolen items from their Friesian-cross sheep and, with a reservation, you can enjoy a gourmet lunch at their farm featuring specialty cheeses. See both kinds of fiber-producing goats -- the Angora goat which produces luxurious mohair fiber and cashmere goats with their super-soft down fiber. Visit alpaca farms and ranches

and experience the luxurious fiber of these New World animals. Stop at a local farm which has been raising Angora rabbits and encouraging new spinners, weavers and textile artists for nearly a quarter of a century.

Workshops and demonstrations at our farms give a glimpse into the hand-production of natural fibers to create fine woolen garments, textiles and crafts. Tour the area's premier wool and fiber processing mill for a glimpse into the commercial production of natural fibers. There visitors can see the many steps, the large and complex equipment and the skilled labor needed to turn fleeces into premium yarn for knitting and weaving.

Family-friendly activities abound including cart-goat demonstrations, sheep shearing, sheepdog herding, felting, dyeing, spinning, finger puppets for children, and more. Children of all ages will delight in newborn lambs, goat kids, alpaca crias, and other baby animals. For visitors who want to buy local, the on-farm shops, studios and fiber mill all offer quality products for sale. All this can be enjoyed while experiencing beautiful scenery and friendly villages within an easy drive of the Capital district and nearby western New England.

The Fiber Tour takes place

rain or shine, and visitors should dress for the weather. Visit www.washingtoncountyfibertour.org for details about the farms and specific activities being offered. Announcements about the Tour are also posted on Facebook. Our full color brochure, including a map, can be downloaded from the website, or you can

pick one up at any participating farm or Battenkill Fibers.

Gold Sponsors for the 2016 Tour include Farm Credit East, A&J Enterprises' Salem Agway, Battenkill Bovine Veterinary, and Country Power Products. Other sponsors are listed on www.washingtoncountyfibertour.org.

Annual Antique Fair at the Washington County Fairgrounds

GREENWICH — Fairground Shows NY is pleased to announce their Spring Antique Fair for 2016. The event will be held on April 30 & May 1.

The Antique Fair features an average of over 200 dealers from all over the northeast, specializing in a wide variety of antiques, collectibles, crafts, and flea market items. Furniture, Post Cards, Art, Glassware, Tools, Linens, Records, Paper, Coins, Toys, and Smalls can be found at this

event. Over 90% of our exhibitors specialize in antiques and older collectibles.

The public's weekend ticket (for unlimited show re-entries) is only \$4. Seniors 65+ are only \$3, and children under 14 are admitted free. Public gates open at 8 a.m. on Saturday, and 9 a.m. Sunday. Early Buyers can enter the grounds with the dealers during setup (Friday) using a \$10 early buyer pass available at the gate beginning at 6 a.m.,

plus unlimited re-entries during public hours throughout the rest of the weekend.

There are acres of free parking at the fairgrounds, and camping facilities for those staying overnight. There is a porter service that can deliver your purchases to the gate area during show hours. Several dealers also provide appraisals for your antiques. Leashed pets are also welcome.

Food vendors are carefully screened and they are chosen for their cleanliness, reasonable pricing and menu choices. These vendors provide a wide variety of foods featuring specialty items as well as family favorites.

For contract information and details, exhibitors can call 518-331-5004, email fairgroundshows@aol.com, or visit our website: www.fairgroundshows.com.
