19th Annual Balloon Festival Set to Launch

CAMBRIDGE – The Cambridge Balloon Committee is gearing up for its 19th Annual Cambridge Valley Balloon Festival, set for Friday, June 7 through Sunday, June 9, 2019, in and around the beautiful historic village of Cambridge, NY.

The Cambridge Valley Chamber of Commerce Balloon Committee is putting together the schedule of activities, which will include launches of hot air balloons (Friday & Saturday evening and Saturday & Sunday morning). Launches will be at the Cambridge Central School on Route 22, with Evening launches typically occur around 7 p.m.;

morning launches at 5:30 a.m.

SUPPORT FOR THE FESTIVAL

Sponsors are crucial to the success of the balloon festival and they are what make it possible for the event to occur free of charge. Sponsors truly make it happen! Please consider even a small sponsorship to be a part of the success!

Opportunities range from sponsorship of an entire balloon (\$1000-you get two free rides along with free tickets to pilot events) to event sponsorships (\$500-\$200). You can share a balloon sponsorship with a friend or fellow business person, with each

of you getting a ride and free tickets to the pilot events. It's great advertising for your business and sharing a sponsorship helps out the festival too.

Gold and silver sponsorships are available for \$100 and \$50, respectively. Visit the website for sponsorship information or call 518-677-0887.

Donations toward the fireworks are always needed and welcome. To help keep this fantastic display a part of our annual event, send donations in any denomination to CVCC- Fireworks, PO Box 405, Cambridge, NY 12816. Individuals or businesses making gifts of \$300 or more will be acknowledged in press releases and at the event as fireworks sponsors.

Festival themed merchandise is available for sale beginning in late May. These items support the festival and help make it possible.

Men O War Balladeers at the Courthouse

SALEM – The Historic Salem Courthouse is thrilled to welcome back the Men of War Balladeers on Saturday, June 1st 7 pm. Admission is \$15 general, \$10 students, or pay what you can. Call to reserve tickets at 518-854-7053 or buy at the door.

Formed in 2016, the Cambridge, NY-based band showcases the voices of its members: solo or in rich harmony, unaccompanied or with skillful acoustic guitar or Irish bouzouki. Performing timeless songs of joy, heartbreak, success, or sorrow, the young men in the band will bring emo-

tions to the brim as they recount in song age-old tales of Arctic fishing voyages, Soldiers gone to war, or Irish outlaw rapparees.

The Band will be giving several summer concerts though New York's Capital Region and into Southern Vermont. More information about the band can be found at its Website (<https://themenowarballadeers.wordpress.com/>); on Facebook The Men o' War Balladeers; or by calling director Kristoffer Ross at 518-764-5045. The Courthouse is located at 58 E. Broadway in Salem.

A Discussion Group for Farm Women

VOORHEESVILLE - "Telling Your Story," a meeting for farm women, will be held on Tuesday, June 4, 2019 at Cornell Cooperative Extension, 24 Martin Rd, Voorheesville, NY 12186. The Capital Area Agriculture and Horticulture Program and Cornell Cooperative Extension Albany County will host the meeting, which runs from 6:00 to 8:30 pm and is intended for farm women who wish to learn the key skill of telling their farm business story as a way of engaging customers and the public.

Inspired by Annie's Project, a working group of farm women selected this topic as a key skill they wanted to learn. We invite other farm women to join us as we continue our women's discussion group, which meets to provide support, programming and networking opportunities.

Making a personal connection is a crucial element for busi-

nesses to use when competing in the rough and tumble world. Steve Hadcock, CCE educator for New Farmers and Market Development, will work with the discussion group participants to develop messages for their use on social media and in their marketing campaigns.

As messages about food, local agriculture and other concerns continue to be diluted by misinformation, farm business owners must step up their game to produce materials and stories that engage and educate customers and the general public. Finding key points to convey the message you want everyone to understand is part of that process.

The meeting is free and reservations are not required. However, a call/text or email ahead to Sandy would be helpful in planning for handouts and space. Call 518-380-1498 or 1-800-548-0881 or email sab22@cornell.edu.

Glory Days: An Era of Industry - June 7 – September 17

GRANVILLE - The Slate Valley Museum presents an exhibit of historic and contemporary work which illustrate the vital role of rivers in the formation of prosperous settlements. Throughout history, from 3200 B.C., on the shores of the Tigris and Euphrates to the reign of the pharaohs along the Nile, rivers have flowed through civilization and fueled their economy and culture. Rivers spark industry, serve as a means of transportation and link communities to each other.

We look at the Battenkill, the Mettowee and the Indian Rivers as being the moving force which powered a variety of mills in the early days and still generates electricity until the present day. In 1800's there were as many as 100 mills of varying types along the Battenkill, all the way from Dorset, Vermont to Clarks Mills, New York where the river flows into the mighty Hudson

Glory Days portrays the history of industry from the mid-19th century until present day through early photographs, drawings, artwork and objects from the material culture. On view will be a painted tea tray from the American Tea Tray Company established in 1849 which produced decorated tin trays, the first in the country.

Many of the mills sawed lumber but then went on to make textiles. The Rexleigh Marble Mill near Salem, New York cut marble which was transported there by rail car from Vermont. Eventually the same mill produced machetes and sickles many which were exported to Russia up until WWI. In the early 1970s, the buildings were used to produce ceramics before fire destroyed almost everything.

Today, earlier mills are mostly in ruin along the Battenkill and in Middle Granville, New York. Two examples still standing are the original flax and cotton mill in Eagleville, New York, an outstanding example of post and beam construction. Another example is the textile mill in Battenville, New York which Susan B. Anthony's father managed until the crash of 1837. In Center Falls, New York Hollingsworth & Vose still manufactures filter paper...

The story of how mills along rivers led to the establishment of industry and jobs helps explain the original demographics of the area. Irish, Welch, Italian and Polish immigrants settled in Greenwich, Salem, New York and Middle Granville to work in the textile mills and quarries there. **Glory Days** portrays what was once the Great American Dream: a place to work, prosper and raise a family.

The exhibition **Glory Days: An Era of Industry** is curated by Salem historian, Judy

Flagg, Sally Brillon, research assistant, Washington County Historical Society and Elizabeth Cockey, artist and author of Un-

told Stories of the Battenkill.

The Adirondack Wine & Food Festival!

LAKE GEORGE – The 5th Annual Adirondack Wine & Food Festival returns to Lake George this June 29-30, 2019 and you won't want to miss it! The Festival will showcase some of the best wineries, breweries, distilleries, artisan food vendors, crafts and food trucks the region has to offer!

With admission, you'll receive a commemorative wine glass to be used throughout the event to sample craft beverages! As a designated NY Farmer's Market, the Festival offers the perfect opportunity to try before you buy. Whether it's your new-found favorite bottle of chardonnay, cheddar cheese, or chocolate fudge... each vendor will have their products available for you to purchase and

take home with you; made even easier if you utilize our popular Purchase Drop-Off / Pick-Up service!

The Chef William Creations Culinary Tent, sponsored by Marcella's Appliance, will feature cooking demonstrations performed by Finger Lakes Celebrity Chef William Cornelius and special guests all weekend long. The Chef will be utilizing his proprietary sauces, local foods and craft beverages in his recipes, as well as providing wine pairing suggestions.

Also under the Culinary Tent all weekend, local bartenders will demonstrate unique Wine Cocktail recipes opposite the culinary demos, mixing new concoctions from wines and liquors available for purchase at the festival!

Additionally, Marcella's Appliance will be adjacent to the culinary tent, smoking meats on Big Green Egg Grills both days of the festival, ending with a "fest taste test" of these delicious meats... is your mouth watering yet?!

This year, Big Brothers Big Sisters of the Southern Adirondacks is the Official Festival Beneficiary. Their volunteers will be on hand making sure the festival runs smooth-

ly, including roaming the space with ample bottles of water to keep everyone hydrated.

Children and families are welcome to attend the Festival (kids ages

15 and under are free) and a Kids' Activity Tent (sponsored by The Fun Spot) will be available on-site.

Hudson Crossing Triathlon

Join us for the 10th Annual Hudson Crossing Triathlon at beautiful, historic Hudson Crossing Park in Saratoga County. Fast course, fantastic scenery.

The Triathlon will be held June 9 at 8 a.m. with a 500 yd swim, 12 mile bike and 5k run

Details: Fantastic venue in the Champlain canalway system. Clean, still water. Beautiful bike course through Northumberland farm country. Run through Schuylerville and Hudson Crossing Park trails. This race will be chip timed. Awards three-deep

in 5-year age-groups (15-19, 20-24, 25-29, 30-34, etc.... 70+) for men and women. Awards for top 3 teams.

History: In 1777, British General John Burgoyne led several thousand British and German soldiers across the river where Hudson Crossing Park is now situated to engage American forces on his quest south to conquer Albany. To cross the river, soldiers lashed together a number of flat-bottomed wooden crafts to form a floating "Bridge of Boats," and then marched across. The resulting Battles of Saratoga are considered to be sparks that precipitated a turning point in the war and to eventual victory for the Americans.

Join us as we celebrate the history of this region, and the mission of Hudson Crossing Park.

A portion of all proceeds benefit Hudson Crossing Park, a 501(c)(3).

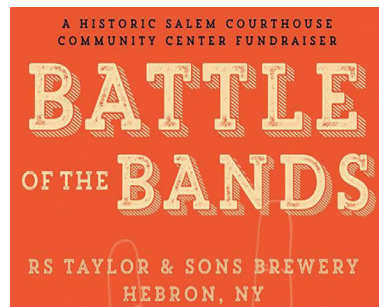

Hudson Crossing Park is located at Champlain Canal Lock 5 Island just outside of the village of Schuylerville. For more information call 518-350 7275.

Battle of the Bands

HEBRON - Introducing the Salem Community Courthouse's first Battle of the Bands Competition. The fundraiser will be held at RS Taylor Sons and Brewery in Hebron on June 22nd.

The Salem Courthouse was built in 1869, so this year it is celebrating its 150th year of existence. The Salem Courthouse Community Center is dedicated to providing a venue for artistic endeavors, for craft making, and for unique educational experiences that help our young people to meet their full potential. The courthouse looks at the present as a steppingstone to the future and give individuals a chance to enjoy and to serve the community. The courthouse celebrates the past by restoring the historic building. There are plans in the works for several restoration projects that will add to the list of projects completed in the past sixteen years.

One of our main restoration pri-

orities is the Courthouse Ceiling, parts of which have fallen due to water damage. All of the revenue from the Battle of the Bands Ticket Sales will go towards repairing the Courthouse ceiling.

This fundraiser will have food, beer, and great music. The goal is to have about 12 bands perform, and go through three rounds, with a panel of judges deciding who the \$1,000 prize should be awarded to.

To purchase a ticket, or to register your band for what is hoped to become a must-see, annual event visit salemcourthouse.org/battle-of-the-bands.

Adirondack Wool & Arts Festival

GREENWICH – The Southern Adirondack Fiber Festival is now the Adirondack Wool and Arts Festival. It will be held 10AM on September 28-29, 2019 at the Washington County Fairgrounds in Greenwich.

Established in 2008 and part of the Washington County Fair located in Greenwich, this festival is a celebration of how agriculture plays an important role in arts. Through the production of natural animal fibers (wool and fleece) yarns are produced and made into beautiful arts and fashions. Specialty soaps, healing arts, craft beverages, photography, pottery, jewelry, and more... All items have a start in agriculture or a connection to agriculture.

The wool & arts festival offers the public education on the products produced in fiber arts, raw fleece, roving, spinning supplies, needle felting, dyes, yarns, and items needed to knit, crochet, and weave.

Artisans and vendors will include pottery, body care products, healing arts, jewelry, culinary arts, craft beverage producers, leather, paper crafts, photography, printmaking, sculpture, wood arts, and more.

Landscapes for Landsake

CAMBRIDGE – ASA's Landscapes for Landsake is an annual art exhibition that celebrates both the agricultural heritage and stunning landscapes of the Upper Hudson Valley. Now in its 18th year, the show is the region's largest art buying event of the season. It draws thousands of visitors from all over the country, from professionals (gallery owners and museum curators) to art lovers of all ages. This year's show will take place October 11-14, 2019.

The 3-day event is held every Columbus Day weekend in the magnificent 19th-century post and beam barn at Maple Ridge, a historic estate just west of Cambridge, NY. Last year's exhibit features the work of 47 artists,

chosen by a jury from 60 applicants. Many of the featured artists, including Harry Orlyk, Leslie Parke, Virginia MacNeice, Leslie Peck and George Van Hook, are internationally recognized painters. There is also a strong representation of works in other media, including sculpture, ceramics, photography, and furniture.

Besides its prominence on the social calendar, Landscapes for Landsake is the largest fundraiser for ASA, with participating artists donating 50% of the purchase price of their works to ASA.

Vermont Open Farm Week

MONTPELIER, Vt. – Do you love local food and farms? Want to get to know your farmer better -- and to get a behind-the-scenes look into Vermont's vibrant working agricultural landscape? Mark your calendar for Vermont Open Farm Week: August 9-15, 2019 taking place at farms across Vermont! We're planning for another exciting event, and

will post a full list of participating farms in July 2019. While you're waiting, take a look back at last year's Open Farm Week!

During Vermont Open Farm Week, you can meet the farmers, plants, and animals that bring your favorite high-quality Vermont products to your plate.

What's the greatest part about Open Farm Week? Every farm is unique! Milk a cow and harvest a carrot at one farm, sit on a tractor and take in the smell of freshly cut hay at another. Find up-to-date lists of participating farms and search by location or product at DigInVT.com, your portal to Vermont's agriculture and culinary experiences.

With so much happening all around the state, it might seem overwhelming to plan out a fun week. To make it easier on you, we've created a list of events happening on each day of Open Farm Week!

Are you a farmer participating in Open Farm Week? Check back soon for info (www.diginvt.com) or email us diginvt@vermontfresh.net.
